

Format for Application of Student Project under ISRO-IITM Cell

1. Name of the Student with Roll No., Degree & Dept.
2. Name of Faculty guide
3. Name of ISRO Counterpart
4. Title of the Project
5. Scope of the Project
6. Methodology
7. Duration of the Project (max. of 10 months)
8. Deliverables
9. Budget (only for fabrication work, Consumables, Contingencies) - Maximum Rs. 2.00 lakhs and Student fellowship is R. 3,000/- per month.

Signature of the Student

Signature of the Guide
Counterpart

Recommendation of the HOD

Signature of ISRO

Funding will be for a maximum of **Rs. 2.00 lakhs per project**, depending upon the needs of the project. No equipment can be purchased or staff appointed out of this grant.

Norms for PG Student Projects with ISRO Centres

The following norms are approved for carrying out the joint collaborative engineering post-graduate student projects between IIT Madras and ISRO Centres:

- The prospective candidates will be post-graduate engineering students i.e. final year students of the Dual Degree programme or the second year M.Tech.
- The number of students will be a maximum of 10 per year selected by IIT Madras.
- The duration of each project is 10 months.
- The projects will be of mutual interest to IITM and ISRO. IIT faculty will be the project guide along with a co-ordinating Scientist at the concerned ISRO Centre.
- The project work will be carried out at IITM with close interaction with ISRO Scientists. The students can visit the ISRO Centre for discussions with the Co-ordinator. The candidates will be permitted to travel by AC Sleeper / Road for their visit to the ISRO Centres.
- The concerned ISRO Centres shall facilitate accommodation for the stay of the students. The boarding expenses will be borne by the students.
- Each selected student will be paid a Fellowship of Rs. 3,000/- per month in addition to HTTA for a maximum period of 10 months.
- Due acknowledgement of ISRO's contribution and support shall be made in the thesis and a copy of the thesis shall be given to the concerned ISRO Centre.
- A consolidated Report on the project will be submitted to the JPC.
- Budget (Annual)

Fellowship	Rs. 3.00 lakhs
Travel expenses	Rs. 1.00 lakh
Other incidental expenses	Rs. 1.00 lakh

The above budget can be met from the grants of the ISRO-IITM Cell.
